

Afro-Latin Project

VERBAL INTRODUCTION

As the seeds of Africa spread throughout the “New World,” new music, new dances, and an incredible diversity of African cultural expressions began to emerge.

Intertwined primarily with Spanish and Portuguese influences, and shaped by the formidable circumstances imposed by slavery, these expressions, as seen today, give us a glimpse into a not-so-distant past.

We hope that you will not only be entertained, but also that you will begin to understand the magnitude of Africa’s influence in the New World.

Ladies and gentlemen, prepare yourselves for an experience unlike any other.

Please welcome The Afro-Latin Project!
