Dear Ed and Karin,

Thank you so much for your performances during the Day of the Dead celebration and High School Days. Your performances at both events crystallized the rich history of Mexico and Latin America in relationship to Day of the Dead and *Graciela Iturbide: Images of the Spirit* exhibition.

After High School Days, the students reported they thoroughly enjoyed your performance. Louis Reyes, a student from East High School, stated that he "really enjoyed seeing the photographs, walking around and learning from all of the art...it was a great experience. However, even better than the art was the music at the end of the program. Thank-you for giving us a chance to learn something from a different culture."

Thank you again for performing at these events.

Warm Regards,

Jennifer Cooley
