Dear Ed and Karin,

The Dubuque Museum of Art hosted the delightful Calle Sur during a Museum Family Matinee program on October 6, 2007. This family friendly series of programs is sponsored by Alliant Energy Foundation and is offered free to the community.

Calle Sur's informative and high energy *Latin Collage* program was enthusiastically received by an audience of young and the young at heart. With exceptional musicianship, dashes of humor, professionalism, and charisma to burn, Calle Sur enchanted the audience with their colorful program of Latin American acoustic, vocal and instrumental music.

The Dubuque Museum of Art extends a warm and sincere thank you to Calle Sur and looks forward to welcoming them back one day for another of their exuberant and captivating programs.

Regards,

Margaret Buhr
Director of Education
