Dear Karin:

Thank you for the exciting concert, *Calle Sur* (Karin Stein and Ed East duo), presented at the Jekyll Island Club Hotel April 3rd. The audience was very enthusiastic about your music and the interesting approach you used in "touring" South and Central America with us musically. The concert was a beautiful way to expand our understanding and appreciation of the cultures of our neighbors to the south.

Although our audience was somewhat smaller in number than you're accustomed to, I'm sure you felt their warm response. One woman simply could not resist dancing to one of your salsas! The young man in the audience, who obviously enjoyed every number you played, approached us after the concert to urge us to consider booking more Latino concerts and possibly dance opportunities in the future. Nearly everyone in the audience had happy comments about your concert.

In addition to the quality of the music, I appreciate your professionalism. It was a pleasure working with you, and I would be pleased to recommend your performance to others.

Sincerely,

Jekyll Island Club Hotel
