Program to be presented: _____ (*Latin Collage* or *Latin Fiesta* - please ask event organizers)

The ensemble was formed in 1999 and tours throughout the United States.

Ed grew up in the hustle and bustle of Panama City, Panama. Karin, his Colombian partner, on the other hand, experienced a very rural upbringing on a remote farm in the eastern grasslands of Colombia.

Their experiences growing up in Latin America are reflected in their music.

When they present their “Latin Collage” program, they offer a broad sampler of traditional and contemporary Latin American music, performed on many different instruments.

Whenever they present their “Latin Fiesta” program as a quartet, they keep audiences dancing for hours to irresistible Latin rhythms such as the Colombian *cumbia* (COOM-biah), the Brazilian *samba* (SAHM-bah), and the Dominican *merengue* (meh-RENG-geh).

Calle Sur’s concerts are enjoyable to all ages and cultural groups.
