Dear Amigos:

Thank you very much for your participation in ArteVida International Folk Festival 2005. All the comments I heard about your performances were very positive, and it was again a true pleasure to have you in our home. The more we do this festival, the more successful it becomes. This year we had around 100 performers from four continents, and our audiences increased by more than 50% from previous years. It is an honor to work with you as well as our local performers and supporters. You all worked really hard, and I appreciate it.

We are planning now for ArteVida 2006, which will focus on Colonial American and old English traditions, especially Morris Dancing. I look forward to inviting you back for another international event, either in 2008 or a later festival.

Yours truly,
