To whom it may concern,

On February 3, 2005, the Los Llaneros quartet performed for our organization at the Poway Center for the Performing Arts. Their performance was well received by the audience who commented particularly about the skills and versatility of the performers and the beauty of voice and demeanor of Karin Stein.

The music presented was new to the audience and was very much enjoyed by them. It was a pleasure to watch the audience leave at the end of the performance, all of whom had wide smiles on their faces. It was a very enjoyable evening for all.

Sincerely,

Leon Bloom
