Dear Karin and Ed,

Thank you for being a very special part of the 83<sup>rd</sup> season of the Redlands Bowl Summer Music Festival. You were absolutely wonderful. I am sure you could feel the great love and appreciation from the 3000 people that were in the audience!

Many have told us how much they enjoyed your performance. One woman wrote, "I was enchanted with "Los Llaneros" last evening at the Bowl. Their music was a wonderful treat, soulful and melodic, in a world beset by violence and negatives. Thank you for inviting this group."

Also, the children's music workshop you did was very educational. Your interaction with the children was delightful. You held their attention and taught them a great deal in a very short period of time.

You have both the talents and the connecting with the audience down pat and you introduced us to a treasured performing art form that is not as widely known as it should be.

Thank you again, more than words can express.
