To Whom It May Concern:

I am the General Manager of the Self Family Arts Center, Hilton Head Island, South Carolina. Los Llaneros performed here during our weekend celebration of Family Fiesta Latina. The response from our patrons, guests and staff say more than words could adequately express. The overall excitement, warmth and rich blend of music filled the air. Los Llaneros made the festival a success and the student field trips were educational and fulfilling. I would recommend Los Llaneros for your Latin American musical entertainment needs. They are outstanding performers and audience motivators and will leave you wanting more of Los Llaneros.

Sincerely,

Richard Feldman
General Manager
